CURRICULUM VITAE OF JB Cohen Rizzo, CPA/ABV/CFF, CVA

PROFESSIONAL EXPERIENCE:

JB Rizzo, CPA/ABV/CFF, CVA is a partner with Frankel Reichman & Rizzo LLP, a boutique forensic accounting firm formed in 2017 specializing in business valuations, family law litigation & mediation support, and general civil litigation support. JB has been a forensic CPA since 1998, focusing on family law analyses, business valuations, and accounting or economic damage issues in litigation support matters. JB authored published articles and a book chapter on financial topics relating to California family law. JB has served as the court's neutral expert (California §730 Expert). He has testified in Los Angeles and Ventura County Superior Courts, and in depositions for federal matters. He taught continuing professional education classes and a federal tax graduate class at his alma mater, UNLV.

He is also a financial mediator: assisting marital dissolution clients and their attorneys by preparing analyses for, and then remaining to participate in, mediation discussions to settle cases; functioning as the neutral financial expert in collaborative practice matters; and mediating directly with parties.

JB's volunteer-services include a Family Law CPA Mediator/Co-Daily Settlement Officer downtown at the Los Angeles Superior Court, regularly, and the current chief financial officer and founding board member of the ACFLS Charitable Foundation, Inc., a 501(c) 3 charitable organization that raises funds to grant to worthy organizations connected with the California family law system.

Previously, JB Rizzo's professional career involved providing the above services in the following capacities: principal and shareholder with Los Angeles-based CPA firm Zivetz, Schwartz & Saltsman; solo practitioner with a Las Vegas-based practice; senior manager in the litigation group of Los Angeles-based CPA firm Hargrave & Hargrave; senior accountant in the business fraud & investigations group (Los Angeles) and accountant in the tax group (Las Vegas) of the former CPA firm Arthur Andersen.

6420 Wilshire Boulevard, Suite 720, Los Angeles, CA 90048

T: (323) 549-2160 • F: (323) 944-0678

EDUCATION:

University of Nevada, Las Vegas (“UNLV”); Bachelor of Science in Business Administration, Accounting Major, December 1996; as well as graduate-level courses in accounting, economics, and business management

Eighty hours of continuing professional education courses each two-year period relating to family law, business valuations, and practicing public accounting.

TESTIMONY EXPERIENCE:

Ryan Smith and James “Jay” Grybowski vs. HP, Inc., Case No. 2:15-CV-00484-GMN-VCF – Testimony given in videotaped deposition as forensic accounting expert calculating economic damages for Plaintiffs. Topic was very complex incentive earnings calculation to determine lost earnings due to Plaintiff based on disputed sales to large corporate customers. October 2016.

In re Marriage of Perlmutter, Case No. BD 620 054 – Testimony given in Los Angeles Superior Court as a forensic accounting expert for Wife. Topics were income available for support of an internal medicine and infectious disease doctor and the business valuation of his medical practice. June 2016.

In re Marriage of Acuna, Case No. BD 599 755 – Testimony given in Los Angeles Superior Court as a forensic accounting expert for Wife. Topic was income available for support of a self-employed real estate agent with limited documents available. May 2016.

Valerie Hirata, Whitney Taylor, and Angela Jones vs. Southern Nevada Health District, et. al, Case No. 2:13-CV-2302-LDG-VCF – Testimony given in deposition as forensic accounting expert calculating economic damages for Plaintiffs. Topics included calculations of the loss of past and future earnings of public employees, as well as calculation of lost Public Employee Retirement System benefits. March 2016.

In re Marriage of Left, Case No. BD 436 243 – Testimony given in Los Angeles Superior Court as a forensic accounting expert for Wife. Topic was a rebuttal to Husband’s expert calculations of the parties’ spending attributable to the children and its relationship to the “reasonable needs” of children of wealthy father. Father is a “high earner” and his earnings varied but averaged approximately \$850,000 per month. July 2015.

Harry Roussos and Christine Roussos v. Theodosios Roussos and Paula Roussos, et al, ARC Case No. 78M3802A – Testimony given in deposition as forensic accounting expert for Petitioner. Civil arbitration matter topics involved answering relevant financial questions from available accounting and financial records available. Cross-allegations included converting rents from jointly-owned multi-family residential rental buildings to personal or other uses over many years. March 2015.

In re Marriage of Nassar, Case No. BD 555 413 – Testimony given in Los Angeles County Superior Court as a forensic accounting expert for Wife. Topic was business valuation and income available for support from a cash-intensive party-supply store with poor business records. October 2014.

In re Marriage of Kizhner and Kuniansky, Case No. SD031611 – Testimony given in Los Angeles County Superior Court as a forensic accounting expert for Husband. Topic was income available for support from

business (art dealer) in the absence of current tax returns. March 2014.

In re Marriage of Dietz – Testimony given in Ventura County Superior Court as a forensic accounting expert for Wife. The topic was an analysis of child support due according to a given formula contained in the parties' previous stipulation and order. March 2012.

In re Marriage of Hong – Testimony given in Los Angeles County Superior Court as the Court's §730 Expert. Topic was income available for support from Husband's small medical practice amid an allegation of unreported cash income. December 2011.
